The RitikaaWood **PermaDeck** is the ultimate in leisure surface design. The subtle beauty of **PermaDeck** has elevated decking to the status of internal solid wood flooring. It thus allows for extension of indoor spaces to outdoors.

Made from all natural solid wood, **PermaDeck** is especially treated to remain unaffected by rain and sunlight. **PermaDeck** comes with a warranty of 50 years against dimensional stability (no warping, no bending, no cupping) and rot resistance.
